Tender Awarded For New Community Centre In Minden

After a series of meetings, the Municipal Council of the Townships of Anson, Hindon and Minden met on Wednesday, August 16, 1972 to review the various alternatives available. The tender was awarded to Norman Burling Builders, Ltd. of Newmarket, Ontario, for the construction of the proposed Community Centre in Minden Park at a cost of \$233,548.00.

The tender of CIMCO Ltd. for the provision of a winter ice system with increased capacity brine pumps and cooler or future expanded seasonal use was awarded at a cost of \$30,159.00.

The 225' x 105' Community Centre will include an auditorium of 70' x 40' accommodating banquet facilities for approximately 175 people. The auditorium, which will be served by a separate ground level entrance contains washrooms, complete kitchen facilities, stage, dressing room, observation room, and cloak room.

The rink service area and lobby entrance will be located on the side of the building, separate from the auditorium. This area contains four dressing rooms, two serviced with separate washrooms, referee and first aid room, public washrooms, furnace, storage and office and ticket booth areas. The 10' x 22' snack bar will serve the 17' x 60' lobby.

The 80' x 180' ice rink will

have concrete seating on both sides with separate player, penalty and timekeeper boxes. The 20' x 42' annex at the back of the building will house the electrical and refrigeration units and the Zaboni machine.

The roadway, waterline and sanitary systems are now in the process of being finalized. The steel construction, split-level effect building, one of the few in Canada, is to be started in two weeks. The Highlands Recreation Committee, which was responsible for raising the funds for the Centre will be holding a meeting in the future to review their activities.

Representatives of the Minor Hockey and Figure Skating Associations are presently attempting to make alternative arrangements in preparation for moving into the new Centre in January. The Centre is the result of dedicated efforts on the part of hundreds of people and donations received from many people living locally and summer residents residing throughout the Province. During the fund raising campaign last year, donations were received from as far away as Florida, Kansas, California and British Columbia.

The Fund Campaign is still operating and the committee will continue to accept donations through the Minden Municipal Offices. All donations are income - tax deductible.

HALIBURTON GUILD OF FINE ARTS PLANS THE 1973 EXHIBITION

The Summer Exhibition Committee of the Haliburton Highlands Guild of Fine Arts, held its initial meeting to plan the 1973 Exhibition, on Tuesday, August 15th, in the Gallery.

In 1973, the Exhibition will be officially opened Wednesday evening, July 4th, continuing through until July 10th.

Mrs. Thilde Nevitt, Convenor of the Summer Exhibition, has lined up an enthusiastic committee and delegated their duties for 1973.

Anyone who might be interested in assisting with the Ex-

hibition, please contact Mrs. Marilyn Cooper, Eagle Lake; Mrs. Marilyn Palmer, Minden; Mrs. Marilyn Kuno, Haliburton; or Mrs. Carole Finn, Haliburton.

This "One of the Best" Exhibition is sponsored by the Haliburton Highlands Guild of Fine Arts.

THURSDAY SMILE

A lot of fellows nowadays have a B.A., M.A., M.D. or Ph.D. Unfortunately, they don't have a J.O.B.

MINDEN FAIR'S EVENTS

Saturday, August 26:

The Parade leaves the Fair Grounds at 12:30. This year's parade features the Bobcaygeon Band and the Queen of the Furrow, from The International Ploughing Match. The Official Opening takes place when the parade returns to the Grounds.

Jack Bailey and the Bailiffs will provide the afternoon's musical entertainment, host the Amateur Contests and the judging of the Queen, and will entertain at the Dance (with bar) starting at 8:30 p.m. To enter the Queen of the Fair Contest, call 286-1142 and register with Mrs. Windsor.

Throughout the afternoon there will be a midway, refreshments, rides, games, a horse show exhibits and displays and prizes given for the oldest man and lady at the Fair.

Saturday's special attraction is a group of 6 trained dogs who show how they control and herd sheep through various obstacles of different sorts. This act will be leaving Minden Fair to go on to Toronto where they will perform at the CNE.

Sunday, August 27:

The rides and the midway will be open again on Sunday. The special attractions for this day are a series of professional Wrestling matches - Ladies, Tag Team, Midgets and a single and a very new event, the One Horse Drawing Contest. It will not be necessary to enter any horse on Saturday in order to compete on Sunday. THERE IS AMPLE PARKING AT THE REAR OF THE FAIR GROUNDS.

PROGRESS TO CLOSE FOR HOLIDAYS

As of Thursday, August 31, the Minden Progress will be closed until Monday, September 18th. During that time there will be no publication of the Progress Newspaper.

HALIBURTON HAS PROPOSED SKI HILL

A 180 - foot ski hill with lifts and a chalet has been recommended as part of a \$196,000 recreation development at Glebe Centennial Park, near Haliburton.

Plans for the proposed multi-us-, year - round development were outlined in a study completed for the municipality of Dysart by Knox, Martin, Kretch Ltd. of Bramalea, a firm of consulting engineers, planners and landscape architects.

The study was authorized by the municipality, with financial assistance gained under federal - provincial agreement with the Agricultural Rehabilitation and Development Administration (ARDA).

Dysart has applied to ARDA for further financial assistance to implement construction of the project following the precedent established at Mount Madawasca north of Bancroft.

The study suggests that the ski hill be designed with emphasis on family recreation. The hill would be serviced initially by one T - bar lift and a later stage. Cross - country ski-

ing, hiking and snowshoeing trails would also be provided in the park.

The proposed chalet would include warming and changing areas, washrooms and ski rental facilities. The study suggests that the chalet be built for summer use as well as a convenience for skiers.

PC ASSOCIATION SET DATE NOMINATION CONVENTION

Victoria - Haliburton Progressive Conservative Association have set the date for the Nomination Convention for the upcoming Federal Election. The date picked is September 6th. It was announced at the beef bar-b-q in Kinmount by the riding association president, Murray Agnew.

Mr. William Scott M.P., chose this time to announce that he will be running again in the next campaign. Mr. Scott has served in Federal Parliament continuously since 1965.

HERE AND THERE

with Fenwick Finch

Let's start off this week with a little nostalgia. Now, this won't mean much to any young readers I have but it may mean something to the older ones. To the young readers let me ask you to

save up your experiences now, when you are having them, for, when you reach an older age you'll find them very valuable to draw on.

With the advent of diesel locomotives on the railway one of the most romantic sounds has finally left us — The Steam whistle. In places of the steam whistle we have the diesel horn.

It is rather difficult to describe the sound of the horn but it makes me think of the sound a bull moose would make as he catches his scrotum in the top wire of a barbed wire fence while trying to leap it. Be that as it may, the loss of the steam whistle makes me feel sad. The guy that designed the horn must have been deaf and thusly had never known what he turned loose on the country.

Remember the sound of the steam whistle of the train at night as you could hear it approaching from a distance. The feeling of loneliness it brought to you and the wonder of where it was coming from and where it was going. Standing on the station platform waiting for the train used to be quite an exciting thing in my youth — suddenly from a distance the full-throated sound of the whistle could be heard approaching and, minutes later the metal monster would hurtle into the station yard. If you've never experienced this you've missed something. The train whistle used to mark the hour, you could set your watch by it as the train came into your town and village, as you heard the whistle you know what crossing it was at and the precise time.

The one series of experiences I've had with steam whistles will always be etched on my mind — there may be others who have had the same experience, who knows?

We used to drive West of Lindsay to the road where the new Highway now goes North to Minden, we would go South on this road for about two miles until we came to an old wooden bridge over the C.N.R. tracks, it was of the loose board type. We used to park there over the tracks with your best girl and do a little romancing — then, in the distance could be heard the approaching train, the whistle firstly a low moan then getting closer. The engineer's were right on the ball — until you've sat on top of a roaring steam whistle and are surrounded by steam and sound, you haven't lived. The engineer would pull the whistle just as he passed under the bridge, you can imagine the rest. It had its advantages though, you usually had to pry the girl friend off you which took about a couple of hours or so before the shock to her was calmed down.

So, with that memory, let us leave steam whistles. The old bridge is no longer there, progress has by-passed it but the memory will live as long as life.

Pat Buttram well-known comedian on Green Acres was being interviewed on the Tommy Banks show and he came up with a quicke that I thought was pretty fair. Pat said "Back in my time "hot pants" was a condition not a piece of clothing."

Drive carefully and you may be lucky enough to amass a great number of beautiful memories, more than that you may live to enjoy them. Until next week, think on this — "Drive-in Movies — wall-to-wall car-petting."

Fenwick

LETTER TO THE EDITOR

64 Edmonds St.

Rochester, New York, 14607

Dear Al:

I seem to have hit the Jackpot this week with your Chamber ceremony photos. First in the national "Transport Topics" next in "Greater Rochester Commerce", beautiful award winning monthly magazine of the Rochester Chamber of Commerce.

Commerce isn't in the mails yet, but today I received one of their clever greeting cards which states, "YOU are news in "Greater Rochester Commerce" magazine". Pasted on the inside of a card is the photo of the full Minden crew reproducing splendidly on their fine stock, with my caption naming all hands and an additional writeup.

"Commere" is mailed to the 7,000 Rochester Chamber Members. It probably has a readership of 40,000 as it is passed around in the various offices and usually winds up as a reception lobby standard in the various plants and businesses.

The way things are going may need a truck to get all the copies up to you people.

I plan on coming up there on Thursday, August 31, for the Labor Day weekend which will give me a chance to pass these around on Friday, September 1 before everyone fades away for the holiday. Will start back home on Tuesday, September 5

Regards,

Earl T. Monahan.

**GERMAN TOUR GROUP
HOLIDAY IN HALIBURTON**

A group of 42 German visitors to Ontario over the past two weeks wound up their holiday in Haliburton's lakeland country at 3 well-known resorts, Sir Sam's Inn, Wigamog and Locarno on the Lake.

The European visitors, a group from West German Towns and cities in municipal employment, were on a planning study tour of Ont. centres; Ottawa, Peterborough, Brockville, Niagara Falls, Waterloo and Toronto. Most of them were accompanied by their wives.

Arrangements for their holiday trip to this region were made by Hidden Valley Travel of Huntsville in conjunction with a major West German tour wholesaler, Westtours - Reissen of Bonn. In addition to this group, Hidden Valley have been successful in placing other individual holiday visiting parties from West German in Haliburton and Muskoka resorts.

The main group of 42 were accompanied by a German Travel writer, Miss Heidrun Kaiser of the Zeitung press who visited Haliburton, camped in Algonquin Park and drove through Muskoka. She was very impressed with this lakeland area. On Tuesday, August 2, a reception was given the visiting delegates by the Ontario Ministry of Industry and Tourism. Souvenir booklets of Ontario were presented to the group who thoroughly enjoyed the fine weather last week. During their stay in Haliburton they had the use of Avis rental cars and travelled through Haliburton, Algonquin and Muskoka.

NOTICE

Notice of Application to The Ontario Municipal Board by The Corporation of the Townships of Anson, Hindon and Minden for approval of a by-law to regulate land use passed pursuant to Section 35 of the Planning Act.

TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 35 of The Planning Act for approval of By-law 72-20 passed on the 10th day of May, 1972. Provisions of the by-law are furnished herewith.

By-Law No. 72-20 — Being a By-Law to amend By-Law No. 14-67.

WHEREAS authority is granted under Section 35 of the Planning Act, R.S.O. 1970 subject to the approval of the Ontario Municipal Board to the Council of the Municipality of Anson, Hindon and Minden to exercise such power.

THEREFORE the Council of the Corporation of the Townships of Anson, Hindon and Minden enacts as follows:

Section 3 - Definitions

Clause 3.9 is deleted and the following is substituted therefore:

3.9 Dwelling Unit: Shall mean one or more habitable rooms designed or intended for use by not more than one family in which kitchen and or sanitary facilities are, and the same shall be, provided for the exclusive use of such family.

Clause 3.10 is deleted and the following is substituted therefore:

3.10 Floor Area: means the area of a floor or floors in a dwelling exclusive of basements, cellars, verandahs, or porches or terraces, calculated from the outside of the boundary walls of the dwelling. Only that floor having a clear height to the ceiling of at least 7' 6" may be used to calculate floor area.

Section 5 - Requirements for Residential Uses

Clause 5.2 (A) is deleted and the following substituted therefore:

MINIMUM REQUIREMENTS

5.2 (A) Minimum Lot Area shall be 15,000 square feet, except where a lot is serviced by a Municipal Water System, the minimum lot area shall be 11,250 square feet and except where a lot is serviced by a municipal water system and a municipal sanitary sewer system the minimum lot area shall be 9,000 square feet.

Clause 5.2 (B) is deleted and the following substituted therefore:

5.2 (B) Minimum Lot Frontage shall be 100 feet, except where a lot is serviced by a Municipal Water System, the minimum lot frontage shall be 75 feet, and except where a lot is serviced by a municipal water system and a municipal sanitary sewer system, the minimum lot frontage shall be 60 feet.

Clause 5.3 is deleted and the following substituted therefore:

MINIMUM SIDE YARD

No dwelling or other structure shall be erected with a side yard width of less than (5) feet on one side and less than ten (10) feet on the other side except in the case where an automobile garage is attached to a dwelling, then the minimum side yard shall be five (5) feet on either side.

Section 8 - Requirements for the Rural Zone (RU)

Clause 8.1 is amended by adding the following thereto: 8.1 (F) Professional, domestic and household uses shall

be permitted in a residential building located in a Rural (RU) Zone provided such uses conform to regulations contained in Section 5 of this by-law. Clause 8.2 is deleted and the following is substituted therefore:

MINIMUM REQUIREMENTS

8.2 within any Rural (RU) Zone the following regulations shall be required:

1. Minimum Lot Area — 1 Acre
2. Minimum Lot Frontage — 150 Feet
3. Minimum Setback — 50 Feet
4. Minimum Side Yard — 30 Feet
5. Minimum Rear Yard — 30 Feet
6. Minimum Floor area in a dwelling — 600 Sq. Feet

Read a First, Second and Third time and passed this 10th day of May, 1972.

Charles S. Brandon, Reeve
Richard Parisotto, Clerk

ANY PERSON INTERESTED MAY, within fourteen (14) days after the date of this notice, send by registered mail or deliver to the clerk of the Townships of Anson, Hindon and Minden notice of his objection to approval of the said by-law, together with a statement of the grounds of such objection.

ANY PERSON wishing to support the application for approval of the by-law may within fourteen days after the date of this notice send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden notice of his support of approval of the said by-law together with a request for notice of any hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law but before doing so it may appoint a time and place when any objection to the by-law be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the clerk under-signed, the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS will be August 31, 1972.

DATED at the Townships of Anson, Hindon and Minden this 17th day of August, 1972.

Richard Parisotto, A.M.C.T.
Clerk-Treasurer
P.O. Box 98, Minden, Ontario

Corporation of the Townships of Anson, Hindon & Minden

TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden has passed By-law 72-20 amending the Restricted Area By-law 14-67 to achieve the following objectives.

1. To clarify the intent of By-law 14-67 prohibiting more than one residence on one property.
2. To clarify the intent of By-law 14-67 in determining the floor area of a residence or main building.
3. To reduce the minimum size of lots serviced by water and or sewers.
4. To clarify the intent of By-law 14-67 relating to side yard requirements for dwellings and other structures.

By-law 72-20 is available for perusal by any person at the Minden Municipal Offices during normal working hours.

Dated at Minden this 17th day of August, 1972.

Richard Parisotto A.M.C.T.
Clerk-Treasurer
Townships of Anson, Hindon
and Minden
Box 98,
Minden, Ontario.

SOMETHING NEW !

What would it be like if nothing ever happened which was new? Well leave it up to the government to think of something.

The Honourable Gordon Carleton, Q.C., Minister of Transportation and Communications, has announced that it will be possible for motorists in Ontario to obtain multi-year passenger car licence plates with the three letters and three numbers of their own choice.

Starting immediately, the Ministry will accept on a first come, first served basis, requests for special number plates for passenger cars and station wagons.

Requests should be mailed as soon as possible to the Special Plate Office, Ministry of Transportation and Communications, Macdonald Block, Queen's Park, Toronto 182.

Motorists may use forms published in newspaper advertising throughout the province this week or send in their request by means of a letter indicating their "own choice" and two alternatives.

Hold on a minute, this service doesn't come free — the fee for issuing each set of "own choice" plates will be \$25 over and above any other fees payable and must accompany any request for the special licence plates. If the number is available, a receipt will be returned along with instructions outlining the proper procedures to apply for the 1973 registration.

If the number requested has been previously allocated or is otherwise not available, the fee will be returned.

In making the announcement, Mr. Carleton said, "Every effort will be made to fill all requests received for the 'own choice' plates, but there will be certain combinations of letters that will not be made available out of respect for good taste and the letters G, I and Q will not be used."

Certain series will be reserved for Members of the Legislature of Ontario, Members of the House of Commons and Ontario and Federal Government vehicles, doctors and diplomats.

Licence plates for commercial vehicles, buses, motorcycles and snowmobiles will be issued on an annual basis, and quarterly plates will remain available for commercial, bus and farm vehicles.

The multi-year plates are expected to last from three to five years, but registration fees will still be payable on a yearly basis. The annual cost for an 8-cylinder vehicle will be \$40; a 6-cylinder vehicle \$32; and \$23 for a 4-cylinder car. Trailer fees will remain at \$5 per year.

The new style licence plates are the result of extensive testing and evaluation of various paint and metal combinations. The metal used in the multi-year plates is 25 per cent heavier than previous years and is given a special galvanizing treatment prior to the application of the enamel.

One interesting change to the plates this year will be in addition to the word "Ontario" at the top of the plate across the bottom will be the slogan "Keep it Beautiful. The plate will be white with blue letters and numbers.

So, there you have it — for a small contribution to the government of \$25 you can have the letters and numbers of your choice — at the same time think of Ontario, and keep it beautiful, while driving.

LETTERS TO THE EDITOR

Minden, Ontario.

To the Editor:

Mr. Greir, you are either very gullable, or you are up to your old tricks to increase publication sales, of which I suspect the latter. However, like a bad itch, some things eventually must be dealt with.

Your reference to the fact that five men can do the job of fifty-five, does not sit well with our members.

First, instead of fifty-five men our records show fifty, but what are five union members? I realize if it were five management staff they could run an extra area indefinitely.

Secondly, in the Minden area there has been the five management staff you previously mentioned plus two office staff from Toronto and one construction crew foremen working full time.

Thirdly, throughout the strike thousands of LBEW and other union members have been allowed to work. There are two crews working steady in the Minden area alone, not to mention the aid of several local, private electricians.

Fourthly, Ontario Hydro has acquired the help of approximately two hundred engineers from the Society of Professional Engineers; paying some as high as \$1,000 per week. There is talk that two or three of these, "Sores that have healed over", will be posted in the Minden area.

Fifth, 60 percent of Ontario's population live in residential areas where the service to the customer is maintained by a public utility staff.

Last, but not least, if it were not for the conscientious efforts of union members in conjunction with management over the past years, the task of keeping the services to the customer would be practically impossible with or without the aids described.

I hope that by what I have already said it has become evident to you that although management has been doing an excellent job, they are only human, not miracle workers. Even with the assistance previously mentioned, if you are guilty of both charges in my opening statement.

I would also like to mention that our three main grievances as stated by L. Northey in last week's edition, are: 1) Job security, 2) Continental work week, 3) Wages.

Not that I do not trust you Mr. Greir, but one copy of this letter will be posted publicly, and one copy will be sent to the Haliburton County Echo.

Sherdon Kellet on behalf of concerned union members, Minden, Ontario.

16 Sundance Cr.,
Scarboro, Ont.

Dear Sir:

The Moore Lake Association wishes to bring to your attention the following facts.

There are thirty 70 foot lots located along the east shore of Gull River, north of Elliot's Falls, in the Township of Lutterworth, County of Haliburton, being sold for \$2995.00 and up.

We understand that under existing regulations lots sold should be 100 foot frontage and 30,000 square feet in area. Since the population density in this area is already great, the river narrow at this point and river traffic already heavy, we request that zoning regulations should be more strictly adhered to.

Although there is the "Caveatemptor" rule, we feel that salesmen should have to inform a buyer of building and health restrictions so that the purchaser realizes that he will be unable to build on a lot of this size legally.

There is really no point in Associations such as ours working so hard to fight pollution

and promote water safety only to have everything undone by a situation such as this.

We would appreciate action rather than discussion on this matter so that any remaining lots are restricted from sale in their present situation.

Yours very truly,

M. Wahlroth, President.

Copies sent: Pollution Probe, Ministry of Environment, Minister of Health and Welfare, The Council, Twp. of Lutterworth, The H.H.P.I.C.

TWO HOLES - IN - ONE SCORED AT BLAIRHAMPTON

The third hole in one of the season was registered at Blairhampton on August 3 by Mr. Peter Main and was witnessed by his father, Mr. C.G. Main. Course employees Murry Davis and Jim Smith also witnessed the ace. Mr. Main was using a 4 iron on the 173 yd. third hole.

The second hole in one was scored on August 19 and was registered on the third hole. The golfer was Mark Helesic and his shot was witnessed by his partners Ron Barnett and Andy Dawe.

SKITACULAR AT CHEROKEE

If you are looking for a little entertainment on Sunday, September 3rd, look no further, for at 7:00 p.m. on that date the Boshkung Water Skiers will put on Skitacular at Cherokee Resort.

Thirteen acts make up the program for this great water ski show, including water ballet, shoe skis, barefoot, slalom, tricks, pyramids and of course spectacular kite flying.

The lodge is located on Highway 35 at Hall's Lake. Admission is \$1.00 for adults and 50c for children.

Lake Boshkung Skiers are a non-profit group supporting teen skiing. Make it a point to support this group and at the same time see some of the finest water action in this part of the country.

TOWNSHIP OF DYSART TO BUILD GLEBE CENTENNIAL PARK

R. Glen Hodgson, MPP for Victoria Haliburton and the Honourable Leo Bernier, Minister of Natural Resources, announce the approval of a Provincial grant of \$20,000 to the Township of Dysart et al for Glebe Centennial Park.

This park comprises some 122 acres of land in the Township of Dysart.

The Municipality is proceeding with construction of service roads and camp sites, provision of suitable sanitary facilities, hydro service and water supply.

This Grant is made available under the Parks Assistance Act and the Municipality will contribute an amount equal to the Grant.

SPORTS CORNER

with CLIFF BURKE

Merchants Trample Raiders

The Minden Merchants continued their dominance of the Stedman Raiders by clobbering them 9 - 2 last week. The Merchants now lead the best of seven series 2 - 0.

If there was any doubt as to which team is number one in Minden, I believe the answer is now obvious. The Raiders, playing the sloppiest ball of the season, will need a miracle to win this series.

Neil Burk had a two-run homer for the Merchants. In their first game in which they walked all over the Raiders 14 - 4, Tom Lee hit his first homer of the year.

HALIBURTON LEADS FINAL 2 - 1

After blowing the opening game of the final series of the Haliburton Senior Softball Championship to West Guilford 7 - 6, the Haliburton Huskies came back with two straight victories 11 - 4 and 5 - 4 last week. The Huskies now lead the best of seven series 2 - 1.

On Sunday evening in West Guilford, the Huskies jumped all over the Redmen 11 - 4. The Huskies built up a 9 - 0 lead before the Redmen got on the score-sheet with solo homers by Jack Morrison and George (one-a-game) Nichols.

In Haliburton on Tuesday evening, the Huskies had a much harder time winning, the final score being 5 - 4.

The Redmen started things off early, when Bernie Bain singled to lead off the game and old one-a-game Nichols hit his third homer of the series to put the Redmen up 2 - 0. However, the Huskies were not to be denied on home ground. Tony Salvatori, the lead off batter for the Huskies smashed Syd Cooper's three-two pitch over the fence for his third homer of the series. Gary McKnight then walked. Cliff Burke lined Syd's second pitch over the left field fence, putting the Huskies ahead temporarily 3 - 2. The Redmen scored twice in the third to regain the lead 4 - 3 but it wasn't enough on this night. Murray Kuno led off the fourth inning with a bunt single, stole second and third and came home on Roger Scheffee's sacrifice fly to deep left. Gary McKnight then singled in the sixth, stole second and came home on Brian Walters game winning double.

SQUIRTS SPLIT DOUBLEHEADER

The Minden Squirts split a doubleheader with Owen Sound on Saturday afternoon, winning the first game 10 - 7 and losing the second 22 - 3. The next game to decide the Zone Champion will be in Owen Sound next Saturday.

The Minden PeeWees opened their best of three series against Parry Sound Saturday and were soundly beaten 17 - 4. The second game in this series will be played here in Minden on Saturday, August 26th.

Canada - Russia Hockey Series

Once again Canada will face the mighty Russian Hockey machine with less than their best players. Because of this I pick the Russians to win at least two of the eight games in the series.

How the coach of Team Canada can pick a Bill Harris over a Dave Keon is beyond me. We are supposed to send our best players, and here we are sending untried rookies against the Russians.

Another enormous blunder on the part of Harry Sinden is picking Brien Glennie over Ron Stackhouse. If you compare the season statistics and overall defensive play of these two men, Ron is head and shoulders better than Brian will ever be. I won't go into the Hull, Trembley, Cheevers and Sanderson omissions, other than to say it's a damn shame they aren't on the team.

CHANGE IN ROUTING

Algar Coach Lines Ltd. announced that last Monday starting Wednesday, August 16, 1972, all trips operating on the Haliburton - Minden - Lindsay route will operate via the new Lindsay Square Shopping Plaza, except on Sundays.

This change in routing will allow residents of this area disembark at the Shopping Plaza and reboard the coach for their return trip at the same location.

ABOUT THE TOWN

With Jeanne Sears

We note there will be both Radio and T.V. coverage of the Summer Olympics from August 26th - September 10th from Munich, Germany. Much money has been pouring in to support and train our athletes; hopefully some of our entrants may be on the winners podium.

Marie Colliss left last week with Mr. and Mrs. Dan March for a months holiday in Malta.

Mr. and Mrs. Frank Buttior are away on a Bus Tour in California and other states.

Sincere sympathy to the family and friends of the late Joe Davis (father of Helen Lee) whose funeral was held since last week.

We heard that several families enjoyed the Don Messer Show at Bobcaygeon last week. They would surely find a gap though with Charlie Chamberlain not present.

We noticed on driving through town one day that some cabins had visitors at them from California and Newark N.J.

Last Sunday a group of 50 girls from Camp Gay Venture took part in the Service at St. Pauls Anglican Church. They sang the "Rejoice Mass" accompanied by guitars and during the service sang excerpts from Godspell.

Hurry Girls! just a few days left to enter for Queen at the Minden Fair, August 26th. Call the secretary-Treasurer, Ruby Windsor 286-1142 for further details.

There is a new Municipal Road going in around the south-west side of Twelve Mile Lake, turning off just past the Rod and Gun Club. We understand that the small bridge at Twelve Mile Lake is to be condemned.

Mrs. Morgan Prentice is presently a patient at Ross Memorial Hospital, Room 214 following surgery. All her friends send good wishes for a speedy recovery. The Charlie MacDonalds are happy on the arrival of their new baby girl.

Last Wednesday evening fifteen members of St. Pauls congregation motored to Toronto to the Royal Alec Theatre to attend Godspell.

Hear that the farmers in the area are not having much luck with their crop of hay — if they do not put it away partly dry, it rots in the fields. Some difference in the Soviet Union where they are experiencing almost a drought and severe forest fires.

Cathy and Harry Campbell are home again and report having a happy holiday on the West Coast and up the Alaskan Highway.

Heard on the CFRB news Monday that "Miss Nude American" plans to make a parachute jump — as she had nothing to hide; as the newsman said, "Hope she will not land on a thorn bush."

Labour Day will soon be here. This is celebrated in many countries in May but has no connection with May-Day events. In Canada it was made a holiday by Act of Parliament July 23, 1894 and began the first Monday in September that year.

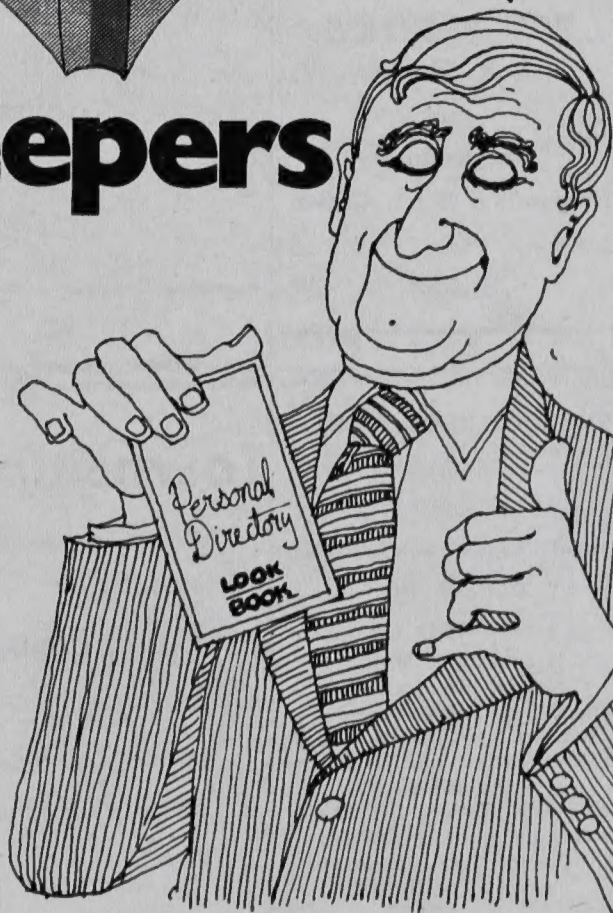

Cheerio until next week.

SELECT COMMITTEE

OF THE LEGISLATURE

ON THE ONTARIO MUNICIPAL BOARD

INVITATION TO SUBMIT WRITTEN BRIEFS

On June 30th, 1972, the Ontario Legislature appointed a Select Committee to examine, inquire into and report upon the Ontario Municipal Board and to make recommendations on: (a) the purpose, object and functions of the Ontario Municipal Board. (b) the jurisdiction of the Ontario Municipal Board. (c) the structure and organization of the Ontario Municipal Board. (d) the procedures and practices of the Ontario Municipal Board. (e) the procedures by way of appeal from the orders and rulings of the Ontario Municipal Board, including appeals by way of petitions to the Lieutenant Governor in Council. (f) the relationship of the Ontario Municipal Board in the discharge of its responsibilities with the Provincial Government, local government and the individual citizen.

The Committee invites written briefs from individuals and organizations who may wish to present information, opinions or suggestions regarding any of the above matters relating to the Ontario Municipal Board.

Briefs must be submitted by September 15th, 1972 to the Clerk of the Committee Box 233, Main Parliament Building, Toronto 182, Ontario.

John P. MacBeth, Q.C., M.P.P.,
Chairman.

Alex McFedries,
Clerk

REJOICE MASS AT ST. PAUL'S CHURCH

A choir of some 24 girls from Camp Gayventure visited St. Paul's Church in Minden Sunday morning at 11:00 a.m. to render the Rejoice Mass accompanied by guitars. Last summer the girls sang to a packed church when they visited St. Paul's in July, and later in the month sang excerpts of the mass at the Hyland Crest Chapel.

The music for rejoice was written specifically for guitar and banjo accompaniment by students of the General Theological Seminary in New York. The form of the mass is that of the Book of Common Prayer and the music is an attempt to recapture the spirit of joy and celebration involved in the sacrament of reconciliation and Christian unity.

The girls sang excerpts from Godspell together with other music as a prelude to the mass which began at 10:45 a.m.

THE TENTH HALIBURTON HIGHLANDS GUILD OF FINE ARTS SUMMER EXHIBITION AND SALE

With an attendance of over 2,000 and sales figures soaring in compliment, the 10th Anniversary Summer Exhibition and Sale of Arts and Crafts held in the Haliburton Highlands Secondary School auditorium from July 6 to July 11 proved an outstanding success. Valued at over \$40,000, this year's exhibition was officially opened at 8 p.m., July 6, by the well known author and columnist, McKenzie Porter, who was introduced as "the man in Canada who knows more than any one else about truffle hounds," by the President of Sir Sandford Fleming College, Mr. David Sutherland.

Mr. Porter remarked on the quality of the Exhibition itself and the fact that appreciation of art cannot be taught but must evolve naturally through observation and contact with life. He quoted G.B. Shaw "Those who can act — those who try learn" and touched on the quality which distinguishes us from the animals; we alone of all creation are interested in the arts and seek beauty as a relief from the harsh realities of life. Great art which endures through the ages has always been fostered by the crafts and guilds while the mediocre and thoroughly bad, such as the de-

signs of our artifacts of everyday life, are fortunately lost within a generation.

Mr. McKenzie Porter then presented the scholarships and prizes to the winners of the Children's Art Competitions conducted throughout the schools of Haliburton County for Kindergarten and Grade One, Grades Two and Three, Grades Four, Five and Six, Grades Seven and Eight and High School.

Convener for this year's event, Bob Lake cottager Mrs. Thilde Nevitt, veteran of many such exhibitions who is a member of the Canadian Guild of Crafts, on the executive of the Craft Foundation, on the Board of the Arts Council of Hamilton, a Director of the Guild of Fine Arts and an advisor to the School of Fine Arts, says that the growth since last year's sale has been such that an assistant for the convener has become imperative. Co-operating with Mrs. Nevitt were Mr. Don Popple for the third year co-ordinator for the Haliburton School of Fine Arts, and Mrs. Carol Duncan, President of the Haliburton Guild of Fine Arts, who is herself a weaver and studied Couture under her cousin David Pequegnat, now an instructor at York University. Mrs. Duncan has attended a wide assortment of workshops and recently acted as a judge at a Fashion Show at MacDonald Institute

in Guelph. Of vital importance to the whole affair was the enthusiastic group of local Guild members who set up and catalogued the show.

One of the show's outstanding features was the travelling display of jewellery, leather, glass, pottery, Indian crafts, etc., assembled by the Youth and Recreation Branch of the Department of Education. This year's colour scheme shading from lavender through to deep red tones provided a stunning background for the live demonstrations which were more numerous than ever before. For the first time Lucinda St. Pierre, a professional florist,

created arrangement using garden and wild flowers, weeds, driftwood and fungus, all natural to Haliburton County, with breath-taking effect. In contrast, Mr. Peter Nicholls returned for the fourth year to work on his driftwood sculpture for which he has attained Canada wide acclaim.

Other demonstrations were Gloria Cameron, weaving; Margaret Percy, candle making; John Bostall, wood sculpture; Rex Lingwood, leatherwork; Alice Tustin, silver and jewellery; J. Jerusalem, enamelling and wire work. Daily demonstrations in quilting were given by Mrs. Schmidt and her

group, The Haliburton Ladies' Pottery Group and the gemstone people, Mr. and Mrs. M. Haggart.

A special display of work by instructors for this year's courses at the Haliburton School of Fine Arts featured enamelist A. Alan Perkins and weaver Robert Carwood who are coming to Haliburton for the first time as well as those who have instructed before such as potter Tony Tudin, batik artist Ann Suzuki, sculpture John Bostall, artists Alice Rycroft, Gordon Peters and Water Hickling.

Convened by Mrs. Betty Morrow, the local mixed co-oper-

All the excitement of the 20th Summer Olympics will be relayed by CBC Radio during its daily coverage from Munich, August 26 to September 10. Anchorman is Gordon Atkinson; Bob Wilson will cover track and field; Fred Walker, swimming and diving; Walt Unger, general sports.

Gordon Pinsent, who created the role of Quentin Durgens. MP on CBC-TV and who recently starred in his own film, the Rowdyman, returns to CBC on The Bush and the Salon, Saturday, August 26. Pinsent takes part in The Greatest Hunt in the World, a semi-dramatic account of the Newfoundland seal hunt, based on the 1924 book by American journalist George Allan England. The play reunited four members of The Rowdyman cast; besides Pinsent there is E. P. (Ted) Henley who played the policeman in the film, Hugh Webster and Murray Westgate. Pinsent did the taping in one day, flying in from Newfoundland where he took part in a local celebration, and before that Czechoslovakia where The Rowdyman was shown at their film festival, then took off for his home in Los Angeles for a well-earned breather.

James Nichol is a young playwright from Paris, Ont. and is one of the fortunate few who makes a living solely from his writing. He's had several dramas produced on CBC Radio and TV and on stage. His latest, The Austere Gwendolyn Parker Elliott, is scheduled on CBC Stage, Saturday, August 26, a Calgary production starring Andrew Allan and Eve Crawford.

In the last few months, two multicultural conferences have been held: Heritage Ontario and Heritage Alberta. Attended by representatives of different ethnic background, the conference aired many of the problems encountered by the different language groups. The production crew from Identities was there in person and taped several of the discussion periods as well as some interviews. The results will be heard on the program of August 26.

(Continued from Page 9)

active Pottery Group, who have been very active during the past year, had an exciting display, all hand turned or done on the wheel using their own designs and glazes exclusively with no mold work. Exhibiting were Olive Giles, Barbara Peel, Vi Hudson, Rose Coneybeare, Mabs Brooks, Jean Bolender, Julie Burke, Ted Mason, Betty Dawson, Tim Smith, Mae Price, Carole Finn, Marilyn Cooper, Irmagard Kadoke and Phyllis Bishop.

Among the Haliburton artists on display were Miss Ethel Curry, a graduate of the Ontario College of Art and a veteran of many exhibitions who created all the attractive posters for this year's sale, as well as newcomer Haliburton born Mrs. Cassandra Wyszowski (nee Henry) showing for the first time an eye catching collection of Japanese water colour brush paintings. A daughter of Mr. and Mrs. Bruce Henry of Halimar Lodge, Sandra is a graduate of the Haliburton Highlands Secondary School and has previously sold commissioned works. Her educational background includes the New School of Art and further instruction from Dennis Burton, Gordon Peters and Mrs. Ruth Yamada, who in 1968 taught the art of Japanese "Sumie" at the Haliburton School of Fine Arts. Sandra is currently employed at the Japanese Cultural Centre.

Gerry Brendar a Brandis, a former workshop instructor, showed a striking series of black and white woods cuts. Among the Haliburton artists exhibiting were Grace Boice, Stella Stinson, Bruce J. Mills, Lesley Armstrong, also Elizabeth Man and Madeline Stinson of Lutterworth, marquetry by John Brown of Cardiff, floral embroidered pictures by Mae M. Tribe of Minden while B.J. Moddle displayed both water colours and fine silver.

Weavers exhibiting were Dixie Augusteijn, Gloria Cameron, Fay DuBois, Lucinda St. Pierre and Thilde Nevitt who showed a spectacular ninety by one hundred and fifty inch rug which was woven on a special ninety inch loom requiring two weavers to operate it.

Other local craftsmen showing at the sale included Mildred Carr, dolls, embroidery etc.; Eric Kadoke, custom crafted furniture; Phoebe Benson, knitting and glass flowers; J.H. Cornish, wooden inlaid candle sticks and boxes; Mrs. S. Shields, knitting; Beatrice Tay-

lor, quilts and hooked rugs, Mrs. E. Salvatori, quilts and needle work; Jessie Webb, knitting; Evelyn Coulter, driftwood; Len Creelman, string and candle sculpture; Barbara McTaggart, hooked rugs; Vera Bouchard, hooked rugs; and Carole Finn, animal sketched hasty notes.

A display of historical quilts created wide interest. This year's sale attracted potters Bodil Pearson and S. Moligan, both Sheridan College graduates whose respective experiments with wood ash and salt glazes have produced satisfying results.

For next year's event which is scheduled July 4 to 10 inclusive, the Guild hopes for more items for sale from the local pottery group as well as the re-activation of the creative stitchery people who had such an outstanding display in 1971. In addition they hope for more activity among local weavers' groups.

As in the past, all work on the 1972 exhibition was voluntary. Any person wishing to become involved in the preparation for the 1973 sale please contact Mrs. Thilde Nevitt, P.O. Box 432, Minden, Ont.

There is a strong possibility that one section of the 1973 Summer Exhibition will be juried by a special event committee from the Guild of Fine Arts which means that as an arts and crafts exhibition, the Haliburton Group's event will have some of age.

In addition to its summer activities, the Guild now sponsors the Kawartha Players Summer Theatre, the Winter Carnival Exhibitions in Haliburton and Minden, as well as the very active Potter's Guild and other workshops in different mediums. It is also responsible for the Childrens' Art Contest for the County from which must come the artists, craftsmen and writers of tomorrow.

CARD OF THANKS

We wish to express our sincere appreciation to our many relatives, friends and neighbors for their many acts of kindness flowers and expressions of sympathy during our recent loss of a loving daughter and sister Bernice Crawford.

Special thanks to Dr. Harry Good, Dr. Brian Good and Dr. Christianson, also special thanks to all the nurses of the Red Cross Hospital in Haliburton for their kindness shown to Bernice during her stay in the hospital and for their speedy appearance when called upon, and to Rev. Bushell, John Welch and Son Funeral Home. May God bless you all. The McKelvey family.
